# healthy, and independent lives

7.7% of adults on GP registers are recorded for depression

The last 16 years of life are typically spent in ill health; dementia is set to double

'Home first' has seen 35% fewer delayed hospital discharges

70% adults volunteer at least once a year

There is a net outwards migration of 16-24 year-olds out of Somerset

33,500 people aged over 65 live on their own

safe, strong, vibrant, balanced communities

# productivity, economic prosperity and sustainability

Unemployment (3.9%) is consistently lower than England

Somerset's productivity gap with the UK is about 13%

58% of internet connexions are >10mps

91% of schools are rated good or better

Breastfeeding rates are 19% lower in deprived communities

421 households were accepted as homeless in 2016/17

fairer life chances
