

## **VCSE Strategic Forum, 10 October 2018**

### **Seven Key Things to take from the October Strategic Forum**

- Keep looking out for Civil Society Strategy initiatives and monthly newsletter on this website
- Incredibly important (and under the radar) work supporting children and young people by Barnardo's in Somerset - website
- The Forum is having a 'push' to share information about and improve the representation of the VCSE on key countywide committees, boards and working groups. Let us know if you attend any countywide or strategic groups. Could you be a VCSE Advocate? link to representaion page on website
- Inspirational work - 'raising horizons' of young people in Somerset - from Somerset Film and Young Somerset - websites
- Young Enterprise Somerset - keen to link with organisations working with young people website
- See the presentation for the latest SCC Commissioners plans and/or consultations about youth & community services, young carers, the future of early childhood support and services
